EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Brian K. Prewitt (Reg. No. 60,135) on 19 June 2009.

The application has been amended as follows:

- **Please amend claim 6 to read:**

An information handling system, comprising:

a first port operable to receive first analog video signals;

embedded control logic operably coupled to the first port, the embedded control logic operable to select either the first analog video signals received by the first port or second analog video signals generated by the information handling system;

a second port operably coupled to the embedded control logic, the second port operable to transmit at least one of the first and second analog video signals to a master controller operably coupled to the information handling system and operable to receive third analog video signals;

the first port further operable to transmit the second and third analog video signals; and

the embedded control logic further operable to selectively transmit either the first analog video signals received by the first port and the second analog video signals generated by the information handling system over the second port or the third analog video signals received by the second port and the second analog video signals generated by the information handling system over the first port.

- **Please amend claim 21 at line 1 to read:**

DETAILED ACTION

2. Claims 2 – 18 and 20 – 24 are pending.

Response to Arguments

3. Applicant's arguments, see pages 10 – 11, filed 20 May 2009, with respect to the pending claims have been fully considered and are persuasive. The rejection of the claims has been withdrawn.

Allowable Subject Matter

4. Claims 2 – 18 and 20 – 24 are allowed.
5. The following is an examiner's statement of reasons for allowance:

Claims 2 – 11 are allowed because applicant has amended previously indicated as allowable claim 6 into independent form, including its previous base claim and any intervening claim. The subject matter of claim 6 is allowable for the reasons set forth by the Examiner in the previous Office Action mailed on 03 March 2009. Claims 2 – 5 and 7 – 11 have been amended to depend from allowed independent claim 6, and are therefore allowed for inheriting the subject matter of allowed independent claim 6.

Claims 12 – 18 are allowed because of the reasons set forth by the Examiner in the previous Office Action mailed on 03 March 2009.

Claims 20 – 24 are allowed because applicant has amended previously indicated as allowable claim 21 into independent form, including its previous base claim and any intervening claim. The subject matter of claim 21 is allowable for the reasons set forth by the Examiner in the previous Office Action mailed on 03 March 2009. Claims 20 and 22 – 24 have been amended to depend from allowed independent claim 21, and are therefore allowed for inheriting the subject matter of allowed independent claim 21.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
